# OTHER DELE SERVICES

## DELE Diagnosis

Specialized service. Complete simulation of the DELE of the level you wish to obtain. In class (F2F or online) with a DELE teacher/evaluator you do the oral.

You also receive your notes with comments, tips and an action plan with a timetable to get to the level you want.

## Private classes

Hire a pack of private classes (or the number of hours you want) and prepare the exam in an individual and personalized way with one of our DELE teachers and evaluators.
